

## **RAIEBURN CALISTHENICS INC**

### **Child Friendly Reporting Process**

**Raieburn Calisthenics Inc** and its coaches, assistants, administration and committee members (all the adults that are part of our club) are here to help you, our students.

If you have any concerns, if someone is making you feel uneasy or unsafe, please talk to an adult that you trust. Even if it is about something that is happening outside of class, it might be at school, or at home or with your friends; you can talk to us about what's going on.

You won't get in trouble for telling someone how you are feeling.

At Raieburn we want all our students to feel safe, be happy and enjoy their time with our club.

Our coaches and other adults can be contacted by phone
